The recordings on it are not issued otherwise, I think, and the transfers are decently straightforward. Bryan Townsend writes of a CD presented to Paul Kling ´when he was awarded the Cross of Honour for Arts and Letters by the President of Austria´, containing the same Beethoven concerto. Maybe someone in Canada copied that CD professionally but issued it in a rather non-com style. However, it´s incredibly rare. **78.00** [500082]
